Smallpox in Naples.—During the week ended February 28, 20 cases of smallpox with 3 deaths were reported at the health office of the city of Naples.

JAPAN.

Report from Yokohama—Examination of emigrants.

Passed Assistant Surgeon Cumming reports:

Number of emigrants per steamship *Nippon Maru*, February 20: For San Francisco recommended for rejection, 1; held for observation, 1. For Honolulu, held for observation, 4.

Per steamship *Siberia*, February 27: For Honolulu, 1; held for observation, 3. For San Francisco, 2 held for observation.

Rejections and detentions were for trachoma.

Reports from Kobe—Inspection of vessels—Examination and disinfection of emigrants—Plague in rats and rat fleas—Smallpox.

Acting Assistant Surgeon Knight reports, February 16 and 23:

Week ended February 13. Supplemental bills of health granted to 4 steamships.

Fifty-three members of crews and 111 steerage passengers were inspected. Forty members of crews and 45 steerage passengers were bathed and disinfected. Their effects were disinfected by steam. The number of pieces of baggage steamed was 187, and of bedding 96. Manifests were viséed for 52,394 pieces of freight, amounting to 4,872 tons.

Emigrants were examined as follows: Steamship *Korea*, for Honolulu, passed 28, recommended for rejection 14; steamship *Korea*, for San Francisco, passed 2, recommended for rejection 3; steamship *Aki Maru*, for Seattle, passed 15, recommended for rejection 5.

The official returns for the week show plague found in rats and rat fleas in Kobe.

During the week ended February 20 supplemental bills of health were granted to 2 steamships.
